SPECIAL OFFER FOR SCHOOLS

I have taught digital safety to thousands of students around the world. However, once-off, every few year presentations are no longer enough. We need a more comprehensive approach. This program provides 7 lessons per grade covering all vital aspects of digital life.

*"Letting your child connect on social networks without educating them of the dangers is like putting a loaded gun in your child's hand."
 (Dessie Rechner - Director of Missing Children)*

Ensure your students are responsible, effective Digital Citizens
